Resources and referrals for perpetrators

Referral to a specialised behaviour change program for DV perpetrators is strongly advised.⁶ Where such programs are not available, or waiting periods are long, a psychologist or counsellor trained to work with DV perpetrators can be recommended.⁶

The following websites and phone services can be helpful.

- Enough is Enough - <http://www.enoughisenough.org.au/>
- MensLine Australia - <https://mensline.org.au/> or 1800 78 99 78
