BIBLE TIPS!!

What is the easy way to find a book in the Bible? Look up the index for the page number of the book.

Each book is divided into chapters and verses.

Chapters are the big numbers and verses are the little numbers.

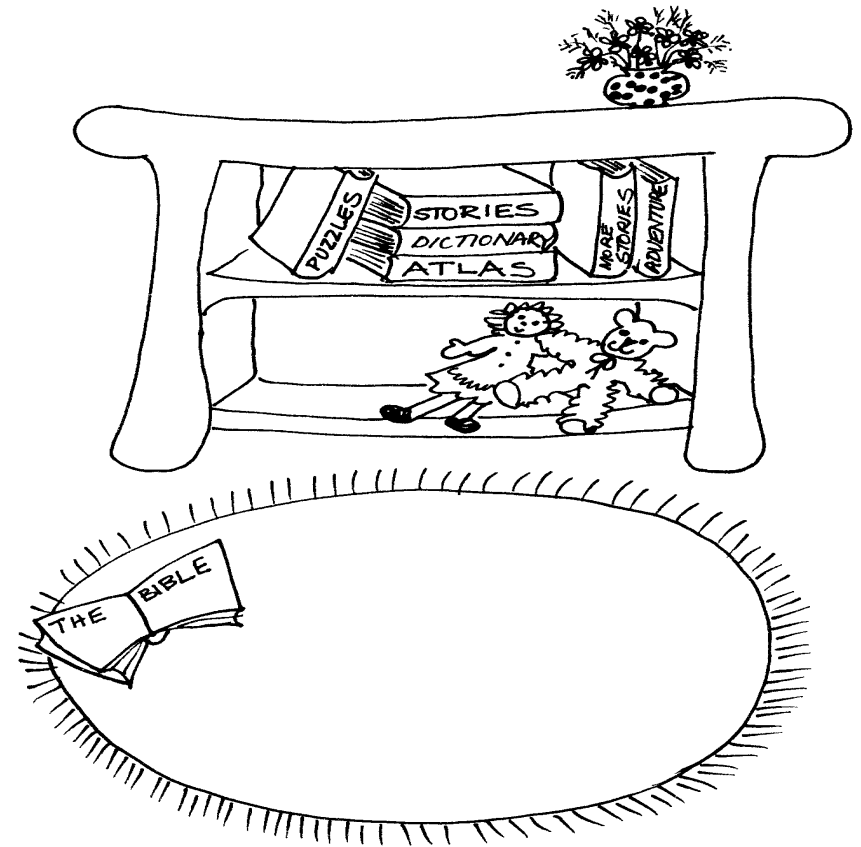

The Psalms are found in the middle of the Bible.

The Bible was written to tell us about
God and his plan for us.
It is a book that we can all read.

DRAW YOURSELF HERE

Draw yourself on the mat reading the
Bible.

The Bible tells us how we can be
friends with God.
Match the tops to the bottoms.

*The Bible tell us about Jesus, his birth,
life, death and coming to life again.
This is a message for everyone.*

Finish drawing the crowd of people

*God promises that we can have our
mistakes taken away.
Join the dots and colour in the picture.*

People have done wrong things and
this stops us being friends with God.
The Bible tells us about God's plan
to make things right.

Spot the differences!!!

The Bible teaches us about God's promises
to his people. It shows us that God keeps
his promises.

How many words can you make out of the
